Reminder: Advocis' Technology and Innovation Committee Seeks New Members

Submitted by Rica Zara on August 2, 2022 - 12:00am

Reminder:
The Technology and Innovation Committee Seeks New Members

Are you an Advocis member who is interested in the impact of technology in your daily practice? Would you like to lead the charge in raising tech awareness amongst your fellow members? If so, we encourage you to apply to the Technology and Innovation Committee (TIC).

The TIC is a group of Advocis volunteers who are passionate about **technology**. Some have worked at their own tech startups; others have worked at the tech giants; and some are responsible for implementing fintech solutions in their own firms. TIC members are eager and proud to give back to the Advocis community by lending their effort and expertise for the benefit of all.

[Learn More Here](#)

In the year ahead, the TIC

What the TIC is looking for:

The TIC is looking for new members who have:

How to apply:

- Interest and experience in tech matters
- The bandwidth to be a full participant and work directly on projects and presentations that benefit the Advocis community
- Experience on the **tech side of product distribution** at the dealer/MGA
- Your CV or manufacturer level
- A covering note describing your fit with the TIC's needs

If you require more information, please contact **James Ryu**, Vice-President,
