For Canadians in excellent health, go to BMO Insurance for great preferred rates!

BMO Insurance is the only carrier to offer preferred term rates starting at \$100,000.

1 Survey was conducted online with 1,200 English-speaking Canadians aged 16 to 29 sampled from a representative panel of over 549,000 Canadian residents between March 14-27, 2014. Since the online survey was not a random, probability based sample, a margin of error could not be calculated. The margin of error for a survey of 1,200 respondents using a probability sample is +/- 2.83%, 19 times out of 20. <https://yconic.com/corporate/Youth%20Insights/Youth%20Health%20Insight.aspx>
