TO: ALL ONTARIO BROKERS

December 13, 2017

In June 2005, the Government of Ontario passed the *Accessibility for Ontarians with Disabilities Act* ("AODA") to create a barrier-free province by 2025, by incorporating standards that promote dignity and independence for all.

The OADA is built around the core principles of independence, dignity, integration and equality of opportunity.

IA Financial Group's obligation under this legislation is to inform all brokers who act on the company about the existence of the AODA. Considering that building an inclusive environment for our partners is a key to our success, you are required to carefully read the attached document by December 31, 2017.

We would like to take this opportunity to wish you a wonderful holiday season!
