THE FALL TELE-INTERVIEW CAMPAIGN IS HERE!

This fall, Sun Life Financial is giving away apples by the bushel!

Between October 1 and December 31, for each completed teleinterview you request, you'll receive a \$50 Apple® gift card. With a three-month promotion, there's lots of opportunity to win big!

Your \$50 gift card can go towards things like an iWatch, iPhones, MacBooks and any other Apple® product you want! The more teleinterviews you conduct, the more gift cards you'll get.

Watch the Fall tele-interview promo video<link>. Promote teleinterviews this fall and let Sun Life fill your bushel with Apples®.

Why Tele-interviews?

Tele-interviews are a fast and convenient way to process non-medical applications for both advisors and clients. Clients can schedule an interview at a time and location convenient and comfortable for them, all while fast-tracking the underwriting process.
